

**12th Annual
BAND Against Bullying
Participant Packet**

*BAND (**B**anding **A**ll **N**eeds for **D**ignity) Against Bullying was founded in 2012 as an inter-school performing arts competition focused on once central theme: dignity. Each year, the event is held as an effort to raise community awareness of bullying-related issues, empower youth to be advocates of change, and to support bullying prevention and intervention efforts in Western New York.*

Who can participate?

Any middle and high school aged students can create an act as a group. Students can be recruited to participate through clubs, chorus, band, GSAs, theatre/drama programs, extra-curricular activities, etc. Students in a group do not all need to attend the same school and can also include homeschooled students.

Individuals may also create an act for BAND. Individuals can perform in person at the show OR submit a video to share on our BAND social media channels. Video submissions will be reviewed for appropriate and relevant content and shared with our panel of judges for scoring.

Corporations, nonprofit organizations, and individual sponsors can make donations to BAND Against Bullying to help fund the event and promote dignity, kindness and respect within schools and the community!

What is an Act?

Any form of art (music, drama, spoken word, dance, multimedia) created by each group or individual with a theme of bullying prevention and promoting dignity, kindness and respect. Acts will perform on the mainstage at the University at Buffalo's Center for the Arts the night of the event.

The event will include valuable information and resources on bullying awareness and prevention, talent and collaboration among students, empowerment and support from hosts and all performers, and an opportunity to raise money for the prevention of bullying in schools. Proceeds will benefit participating schools and the continued development of the BAND Against Bullying Program.

What do I get if I participate? (Please note: These incentives are subject to change for the next year)

Participating schools will receive bullying prevention resources for their school, two tickets to the annual conference hosted by the Alberti Center for Bullying Abuse Prevention (in October 2026), and social media recognition for being "Upstanders" in bullying prevention.

Participating Students will receive *Express It* art therapy workbooks from Free 2 Luv, the opportunity to perform on the mainstage at UB Center for the Arts in front of a live audience and panel of celebrity judges as well as a special backstage experience, social media recognition of their performance, and chance to win prizes awarded on the evening of the event.

The act (group or individual) receiving the highest score from the judges will receive a trophy presented at the event, recognition on social media, and a unique special experience relevant to their art type (i.e. musical acts may receive an opportunity to record in a music studio). The top two (2) participating schools will receive a free bullying prevention presentation from the UB Alberti Center.

How do I participate?

Criteria

There are 4 categories. All categories have score range of either **0-10** or **0-15**; the higher the number the better the score in such category. Some categories are weighted higher due to the importance of the category.

All points will total at the end. The act with the highest total wins. Maximum points an act can receive are 50.

Category	Score Range	Description / What to look for...
